On Thursday, February 22, 2007, the North Fond du Lac Police Department arrested a male teacher of the North Fond du Lac School District following an investigation into a report alleging that an inappropriate relationship existed between the teacher and a former female student. Our investigation has confirmed that the teacher had participated in a sexual relationship with a former student.

Following questioning in this matter, the suspect was transported and booked into the Fond du Lac County Jail on charges of:

- Sexual assault of a child by a school staff person or a person who works or volunteers with children. Wis. Stat. 948.095 (2) – Class H Felony

At this time, it is anticipated that additional charges will be referred to the District Attorney's Office as part of this investigation.

Because the investigation continues we are unable to provide any additional details at this time. Further information will be released when we are able to do so.
