A 22 year-old registered sex offender is back in custody following an investigation by North Fond du Lac police. Nathan M. Bice, of 122 ½ 3rd Street in Fond du Lac, was arrested on three counts of Child Enticement and one count of Use of a Computer to Facilitate a Child Sex Crime.

The mother of a 14 year-old North Fond du Lac girl reported the incidents to School Resource Officer Donovan Heavener on Tuesday, September 3rd. According to the complaint, Bice contacted the girl at her profile on hoverspot.com, a social networking site similar to the popular MySpace. After initiating contact with the girl through that website, Bice allegedly solicited sexual activity from the female via the hoverspot.com e-mail feature. Following numerous e-mail conversations, Bice provided his phone number to the girl and encouraged her to call him. Eventually, the girl made phone contact with Bice. Bice used the Caller ID feature to capture her phone number and subsequently began contacting her by phone. Bice convinced the girl to meet with him in person on at least three occasions. During those contacts, Bice again solicited sexual activity with her.

Immediately following his arrest, police executed a search warrant at the home of Bice and completed a search of his vehicle. As a result, they have recovered computer and camera equipment, numerous photographs of the girl and other young females, as well as lists containing phone numbers and e-mail addresses. Police are working with Internet Crimes Against Children and the National Center for Missing and Exploited Children as they continue their investigation; additional charges are possible.
