North Fond du Lac Police are investigating a vandalism spree that targeted several vehicles over the weekend. Police received the first report of vandalism around noon on Sunday.

Captain Darren Pautsch said the incidents, involving at least five vehicles, are being investigated by the Department, but there are no known suspects yet. Pautsch noted that most of the incidents took place in the southeastern section of the Village sometime Saturday night.

The Village has experienced problems with vandals firing paintballs in the past, damaging both homes and cars. For the most part, those incidents have been committed by juveniles, Pautsch noted.

Paintball guns, he said, are potentially dangerous weapons and could cause injuries. Pautsch is asking anyone with information about the incidents to call the North Fond du Lac Police Department at (920) 906-5555 or they can report the information anonymously by calling (920) 906-4777 ext. 3.
