North Fond du Lac Police to join Booze & Belts traffic safety mobilization

To keep the joyous holiday season from becoming a time of tragedy, the North Fond du Lac Police Department will mobilize along with other law enforcement agencies throughout the state for the *"Booze and Belts"* traffic crash prevention effort from Dec. 10-16.

"Our message is simple. We are cracking down on impaired drivers and unbelted motorists. Our goal is not to write more tickets but to stop people from killing or injuring themselves and others on our streets and highways," said Sergeant Colette Jaeger.

Besides risking death and injuries, motorists also may take a painful hit in their wallets if they choose to ignore safety belt and impaired driving laws, according to Jaeger. Last year in Wisconsin, there were more than 44,000 drunken driving convictions and nearly 74,000 convictions for failure to fasten safety belts.
